Sir,

Sub: Kochi City Security Action Forum – Installation of CCTV Cameras at all places/  
public through fare — reg.

Ref : This office letter of even number dated 24.11.2009

As a part of strengthening the general security in Kochi City, it was decided in the Security Forum to install CCTV Cameras at all important traffic junctions, places of public interest, tourist places, commercial establishments, Malls, Big shopping areas, Railway Stations, Bus Stands etc. The CCTV camera needs to be provided at all these places and a recording facility of at least 15 days should also be kept along with the CCTV system. This will ensure that the security of these concerned institution can be better monitored on a day-today basis. Hence, you are requested to undertake the task of setting up of CCTV cameras at all places of public through fare in your institution. It may be ensured that a recording facility of 15 days is also provided with the system, and if possible a live feed of the same may be provided to Police Control Room also. For any technical clarification in this regard can be had by contacting Asst. Commandant (Motor Transport) Sri. V. Sasidharan Nair – Mob No. 9497990267.

A line in confirmation is solicited in this regard.

Yours faithfully,

Commissioner of Police,  
Kochi City
